

## Correction to ATP-Responsive Controlled Release System Using Aptamer-Functionalized Mesoporous Silica Nanoparticles

Xiaoxiao He, Yingxiang Zhao, Dinggeng He, Kemin Wang,\* Fengzhou Xu, and Jinlu Tang

*Langmuir* 2012, 28(35), 12909–12915. DOI:10.1021/la302767b

On page 12911, the schematic illustration of aptamer-based ATP-responsive MSN system is incorrect (Scheme 1). The illustration of the base complementary pairing is shifted for one base. The figure should not be used. Instead, one should use the following picture.

**Scheme 1. Schematic Illustration of Aptamer-Based ATP-Responsive MSN System**
