

Correction to “Thermal Narrowing of the Electronic Bandwidths in Organic Molecular Semiconductors: Impact of the Crystal Thermal Expansion”

Yuan Li, Veaceslav Coropceanu,* and Jean-Luc Brédas*

J. Phys. Chem. Lett. **2012**, 3, 3325–3329, 10.1021/jz301575u

Supporting Information

The data initially provided in Table S2 of the Supporting Information regarding the orientations of the principal components of the charge carrier effective mass in the pentacene crystal were listed incorrectly. The correct data are provided in the revised version of the Supporting Information. This correction does not in any way affect the results and conclusions of the work.
