

## Additions and Corrections

---

Vol. 8, 2008

**Kenichi Fujibayashi, Rizal Hariadi, Sung Ha Park, Erik Winfree, and Satoshi Murata\***

Toward Reliable Algorithmic Self-Assembly of DNA Tiles:  
A Fixed-Width Cellular Automaton Pattern.

Page 1791. Due to a production error, this paper was published with the incorrect year of publication in both the PDF and HTML versions of the paper. This error affected both the print and electronic versions of the paper. The corrected PDF version was reposted on October 8, 2008. The HTML version has also been corrected. Electronic retrieval and downloads of citations to these papers were not affected.
