

Correction to Detecting DNA Folding with Nanocapillaries

Lorenz J. Steinbock, Oliver Otto, Catalin Chimerele, Joanne Gornall, and Ulrich F. Keyser*

Nano Lett. **2010**, *10* (7), 2493–2497. DOI: 10.1021/nl100997s

Reference 13 was added to the original manuscript and the citations in the paper were changed to reflect this addition. Beginning in the second paragraph at the second mention of reference 13, each reference was increased by one.
