

## Correction to “Unraveling the Complex Nature of the Hydrated Electron”

Frank Uhlig, Ondrej Marsalek, and Pavel Jungwirth\*

*J. Phys. Chem. Lett.* **2012**, 3, 3071–3075. DOI: 10.1021/jz301449f

Concerning Figure 4, the label of the  $x$ -axis should read “ $r$  [au]” and that of the left  $y$ -axis should be “ $4\pi r^2 s(r)$  [au<sup>-1</sup>]”. This erratum does not affect conclusions reported in the paper.
