Herewith I would like to make the following correction.

In the article entitled Cavitation and Pore Blocking in Nanoporous Glasses (DOI: 10.1021/la201948c), ref 29 is presented with the wrong volume number.

The correct reference is the following: Rasmussen, C. J.; Vishnyakov, A.; Thommes, M.; Smarsly, B. M.; Kleitz, F.; Neimark, A. V. *Langmuir* **2010**, 26, 10147–10157.
