Page 8994. There was a typographical error in the molecular weight of polymer CO_{Cp25}. It should have been printed as 720 000 g/mol, not 20 000 g/mol. Table 1 is reproduced here with the corrected M_w value.

Table 1. Polymers Used in the Study

polymer name	POSS type	wt % POSS	mol % POSS	M_w (g/mol)	PDI	x_w
HP		0	0	80 200	1.68	800
