J. Phys. Chem. Lett. **2013**, 4, 355–361. DOI: 10.1021/jz302067r

The table of contents image initially provided incorrectly had the acronym for quantum dot sensitized solar cell as “QDDSC” while it should have read “QDSSC”. The corrected TOC is shown below. This correction does not in any way affect the results and conclusions in the manuscript.
