

## Correction to “On the Unusual Properties of Anatase TiO<sub>2</sub> Exposed by Highly Reactive Facets”

Wen Qi Fang, Xue-Qing Gong, and Hua Gui Yang\*

*The Journal of Physical Chemistry Letters* **2011**, 2, 725–734. DOI: 10.1021/jz200117r

There were several misspellings in the Abstract and TOC graphics. The spelling was corrected for “Theoretical Predictions” and “Unique”. The ASAP version of the corrected paper was reposted on May 15, 2012.
