The Reversible Giant Change in the Contact Angle on the Polysulfone and Polyethersulfone Films Exposed to UV Irradiation.

Edward Bormashenko,\* Roman Pogreb, Gene Whyman, Yelena Bormashenko, Rachel Jager, Tamir Stein, Alex Schechter, and Doron Aurbach *Langmuir* **2008**, *24*(12), 5977–5980.

Correction to Experimental Section: The wavelength of UV-irradiation was specified incorrectly. The correct wavelength was 254 nm.
