

Correction to Profiling Nanowire Thermal Resistance with a Spatial Resolution of Nanometers

Dan Liu, Rongguo Xie, Nuo Yang, Baowen Li,* and John T. L. Thong*

Nano Lett. **2014**, *14*(2), 806–812. DOI: 10.1021/nl4041516

With this erratum, we provide the correct form of eq (3) in the main text as

$$R_i(x) = R_b \left\{ \frac{\alpha_0 - \alpha_i(x)}{1 + \alpha_i(x)} \right\}$$

This typographical error does not affect the R_i in the main text and Supporting Information.
